An introduction to Southampton

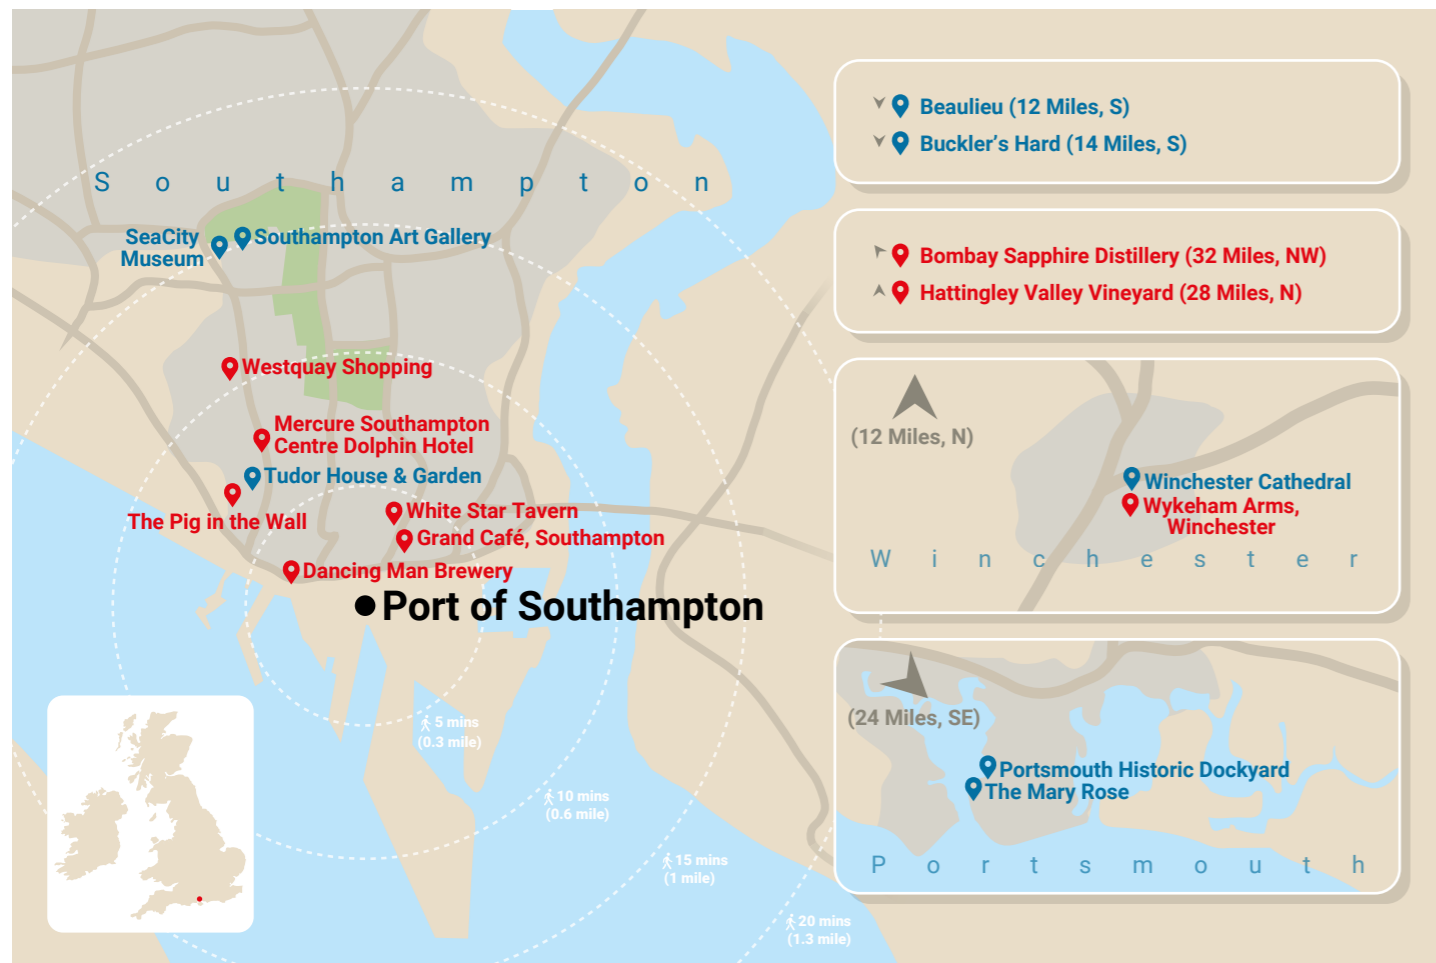

The Mayflower arrived in late July 1620 and several days later was joined by the Speedwell, carrying the Pilgrims from Leiden, Holland. Their intention was to prepare both vessels and sail in company directly to America.

Southampton is steeped in maritime heritage and today is known as the cruise capital of Europe. The city has a vibrant atmosphere with an impressive cultural and retail offering – featuring in the UK's top ten shopping destinations. The Mayflower is not the only voyage the city is well known for. The Titanic set sail from the White Star dock in 1912.

Both historic Winchester (12 miles north) and the New Forest National Park (5 miles west) are easily accessible from Southampton port.
